NOTES:

With over 75 years experience with marine propulsion engines, it's easy to see why Universal marine diesel engines by Westerbeke have led the way in auxiliary marine propulsion. See our [Universal Marine Power](#) webpage for company history and contact information, PLUS information about other Universal Marine Power products.

Universal 5444 Overview and History

[_Model_Overview_And_History_](#)

Specifications For Universal 5444 4-Stroke Cycle Diesel Marine Engines Including Other Marinized Versions & Generators

TABLE KEY:

⊗ = Data Not Available from Data Source. ? = ...? = ¿...? = Data Not Confirmed.

DS = Data Source: U = Universal Motor Co. (Westerbeke). BD = BoatDiesel.com = ...B.

^ ...f = Forum. ...w = Webpage. ...c = Catalog. ...b = Brochure. ...s = SpecSheet.

^ ...o = Owner's/Operator's Manual. ...m = Service/Repair/Technical/Workshop/Shop Manual.

^ ...1,2,3,A,B,C,etc = Source #, Version, Revision.

CYL = *Cylinder Configuration-Number-Liner Type*:

^ **Cylinder Configuration**: u... = Vertical (Upright). l = In-Line.

^ **Liner Type**: p = Parent/Native Bore. b... = Borable Oversize.

^ ^ **Liner type** sometimes had to be determined from Shop Manual and/or Parts List.

BORE & STROKE: ...mm = Millimeters. ..." = ...in = Inches.

DISPLACEMENT: ...cc = Cubic Centimeters (cm³). ...L = Liters (Litres). ...ci = Cubic Inches (in³).

↑ = **Base Engine Manufacturer**. ⇒ = **Engine Marinizer (Mariniser)**.

MODEL: EC = Engine Code. Cylinder Block Capacity ID Code.

RATING: See the Engine Duty Ratings at the end of the table.

ASP: Aspiration-Fueling: N = Naturally Aspirated. T = Turbocharged.

^ **Diesel**: M = Mechanical Injection. I = Integral Injector. C = Common Rail. E = Electronic Injection.

POWER: kW = Kilowatts. HP = Horsepower. BHP = Brake Horsepower. MHP = Metric Horsepower.

@RPM = Power Ratings @ Revolutions Per Minute.

YEARS MFR'd: Beginning-Ending. Trailing "-" (Dash) without an Ending Date = Still in Production.

[Click on Model Links below for other Model Pages. Click on Data Source Links for Catalogs, Brochures, SpecSheets, Operator's Manuals, Shop Manuals, etc.](#)
